Sir,

Enclosures ..... Comparative statements in duplicate, Tahsildar's Statements, and three tenders.

Spare Copies .....

(1) P. Holt & Co., (2) Nestle Anglo Swiss Condensed Milk Co. & J. Pandu-ranga Prabhu in duplicate.

Inforwarding herewith the comarative statement in duplicate of the tenders received for articles of diet and other hospital necessaried, I have the honour to inform you that apart from the tenders received from Messrs P. Holt & Co., and Nestle Anglo Swiss Condensed Milk Co., for barley, mustard and milk respectively, only one tender was received from the prsent contractor J.Pandranga Prabhu for articles of diet and other hospital necessaries. Probably the stipulation that 5 % of the total aggregate value of the articles required should be deposited as earnest money work as a hardship for persons sending their tenders. The tenderer, the present contractor, has not deposited the earnest money, but has given a stamped agreement in writing to the effect that the security deposit money may be confiscated to Government in case he fails to undertake the contract.

The rates tendered for the different articles of diet are lower than that of last year's rates. The total aggregate value of the articles of the tenderer is higher than the total aggrgate value of the articles furnished by the Tahsildar by Rs.68-12-5 which is a negligeable sum.

Now reduced it is less than the Tahsildar's by Rs. 182-12-7.

Under the circumstances, I recommend that the

P.T.O.

the tender may be accepted.

Superintendent.

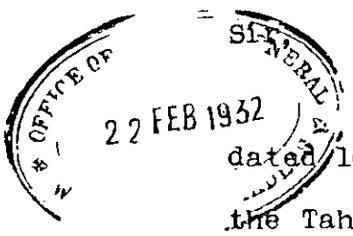
Mangalore,
Dated 19th February 1932.

The Superintendent,
Government Headquarter and Lady Goschen
Hospitals, Mangalore.



With reference to your letter Ref.No.302-5/32 dated 16-2-1932, I beg to state that the rates quoted by the Tahsildar are to the articles that are available with wholesale dealers at Bunder. If any purchases are made from here one has to bear various extra expenses. My tender terms include these extra expenses such as cooly, conveying, cleaning or splitting charges with margin for wastages. Besides this the bazaar rates are not fixed and are liable for changes every now and then.

Tahsildar rate

0-5-2 Pepper:- My tender terms for this isRs.0-8-0 per lb but I can reduce this for Rs.0-5-2.

15-0-0 Firewood:- Three kinds of firewood are available at Bunder viz,country, chabku and karmar. These are sold in big pieces and these pieces cannot be used unless they are split into sizes and incurred wastages.

The firewood that will be supplied by me is well dried chabku, split into required sizes and ready for use and my terms include conveying, splitting, wastage and storing charges. Whereas the Tahsildar's quotations may be for country firewood- big pieces. If I am to supply this, I will do so for Rs.15-12-0 per ton if room is made available for storing it. But if chabku alone is required then the same will be supplied for Rs.16-8-0.

0-0-10 Rice 1st sort:- My quotations include extra expenses of

of cleaning, conveying and wastage. If necessary the same will be supplied at the rate of Rs.0-1-2 per lb for 6 months i.e. from April to June 1932 and January to March 1933. But for the rest of the year a rate of Rs.0-1-4 per lb should be allowed.

Tamarind:- The tamarind available in the bazaar consists of seeds and nerves and the same cannot be used before seeds and nerves are removed and wastage incurred.

As per my tender terms, I will have to supply at the rate of Rs.0-1-9 per lb as the same will be ready for use and now I will reduce the rate to Rs.0-1-7. per lb. The Tahsildar's rates vary every month and it can be easily verified from the District Gazette.

If my above stated rates are yet unacceptable, I agree to supply articles mentioned above as per the rates that will be published in the District Gazette every month if room for storing the articles is provided and given cooly, conveying, cleaning or splitting charges and wastage allowed.

I beg to remain,
Sir,
Your most obedient servant,

Tenderer.

Ref. No. 302-6/32.

The revised rates of the contractor seem to me to be reasonable and I recommend the same to be accepted. It will be very difficult to purchase these departmentally. The terms asked for by him in his last para cannot be accepted at all.
